Edition of 50, plus 5 artists proofs. \$800.

French Earth Series #4

Collage colored with acrylic in aqua, purple, and yellow, with collage elements of tan and black papers with Chandon Brut Cuvee label, on Rives BFK cream and white papers, 22 x 11 3/8 inches.

Edition of 35, plus 5 artists proofs. \$650.

"What to do with the foil, cork and wire cap ... There is always the tendency to want to save these as a memory of the event. While it is sweet, it does not enhance the home décor any more than colored water does in clear Appalachian glass bottles.

There are a few exceptions....

American artist Ken Elliott makes striking abstract collages using pastels, oils and the foil from the Champagne bottle."

Excerpt from the New York Times, On the Web, Wine Today, December 26, 2000 by Kathleen Buckley
